

# Worldox BootCamp 2015

Atlanta, GA - Feb. 23-24

# Join us!

**Join us for our Worldox BootCamp**, where you will receive intense training that will enable you to tap into the full power of your Worldox Document Management System. Taught by our own Greg Bray and Steve Best, your instructors will detail everything from saving a simple document to creating security profiles and document retention plans. The course is great for new users, existing users who need a refresher course, or, to “Train your Trainer.” Accompanied by meticulous materials, you will go back to the office excited to unleash the full power of Worldox.

**READ ON** 

## Day One – End User Training

Topics will range from basics to advanced, including an overview of mobility 3rd party integration options.

## Day Two – Administrator Training

For the Worldox Administrator, this full day session will cover the basis of caring for and maintaining your indexer, setting up new users, creating new profile groups, security, archiving, retention, and the top 10 technical support issues and how to address them.
